School of Business and Management

Foundation in Business

R:340/3/0782 (FA 9524)

The programme provides a flexible structured study programmed to enhance student knowledge and skills in various aspects including improvement in English language and communication skills.

Students will gain a knowledge base in basic business studies and introduce fundamentals business concepts. This would encourage the development of a creative attitude, an open mind and business-relevant awareness. Participants will understand how organisations are managed effectively and how to launch and sustain their managerial careers.

Upon successful completion of this programme, students are eligible to enrol into our degree programme, creating a seamless transition towards pursuing a future in business.
