School of  
Business and  
Management

## Diploma in International Business

R/340/4/0237 (FA 2765)

The International Business diploma provides a solid foundation towards a career in international commerce, or as a business; the programme aims to provide students with broad-based international business knowledge, technical, operational and entrepreneurial skills to perform effectively and ethically with their specific areas of international business studies, hence inculcating the desire for lifelong learning and career development.

Graduates of this programme will be able to work in supporting roles at most businesses and in particular businesses that support international trade.
